**ABOUT ME**

I am a passionate and creative Web & Mobile Application Developer with expertise in modern technologies like React.js, Next.js, Node.js, MongoDB, and React Native. I specialize in designing beautiful, responsive, and user-friendly interfaces for both web and mobile platforms. My code is clean, efficient, and scalable—focused on delivering an exceptional user experience.I enjoy learning new technologies, tackling challenges, and collaborating in team environments. I believe in not only strong technical skills but also the importance of communication, consistency, and leadership. My goal is to bring innovation, fresh thinking, and professionalism to every project I work on, delivering top-quality digital solutions for clients.
